

Application for the Pfizer Research Prize

The **registration form** allows the transfer of rights for the submission of a scientific research project carried out by multiple authors for the Pfizer Research Prize and the formal recognition of compliance with the Pfizer Research Prize regulations.

A research project will only be considered by the Pfizer Research Prize Foundation once the **application is completed in full**.

A full application includes the following documents:

- **Registration form**, completed in full and **signed by all authors**
- **Application cover letter**
- **Research project**
- **Additional data on the research project** that have been published on the Internet (figures and graphs)
- Confirmation of acceptance by the journal (if not yet published)
- **Summary**, no more than half an A4 page
- **Curriculum vitae** for all potential prize winners, containing the following information:
Date of birth, **nationality** and **contact details** (email, address, phone)

Instructions on submission of the research project:

- Only **complete applications will be accepted**.
- Incomplete applications and those that are received **after the 15th of May** (date of receipt of email) **will not be considered**.
- Please submit **all documents electronically in PDF format and named as follows**:
 - 1_Registration Form_*[name of first author]*.pdf
 - 2_Application Letter_*[name of first author]*.pdf
 - 2a_Acceptance_*[name of first author]*.pdf (if not yet published)
 - 3_Research Project_*[name of first author]*.pdf
 - 3a_Additional Data_*[name of first author]*.pdf (if applicable)
 - 4_Summary_*[name of first author]*.pdf
 - 5_CV_*[name of first author]*.pdf
 - 6_CV_*[name of 2nd pot. prize winner]*.pdf (if applicable)
 - 7_CV_*[name of 3rd pot. prize winner]*.pdf (if applicable)

Please send the application by email to:

Registration form for the 2024 Pfizer Research Prize

The registration form is to be completed by the first author.

Research project

Title of research project	
First author	
Field of research	
Category	<input type="checkbox"/> Pure research <input type="checkbox"/> Clinical research
Published in	
Date of publication	

- The research project must have been published during the period from **15/05/2022 - 15/05/2023**.
- A confirmation is to be enclosed stating that the research project has been **accepted for publication** if it has **not yet been published**.

The first author confirms that, through their signature on the following page / following pages, all authors of the research project that is being submitted have given their consent to only those scientists being awarded the research prize who are named as “prize winners” in the event of an award.

The first author confirms that the research project was predominantly carried out in Switzerland and complies with the highest ethical, legal and scientific standards.

Date: _____

Signature, First author: _____

The Pfizer Research Prize Foundation will send an email to your following address to confirm receipt of your application:

Registration form for the 2024 Pfizer Research Prize

Title of research project *(please complete field again)*

--

Prize winner(s)

First name and surname	Place and date	Signature

- A **maximum of three prize winners** per research project can receive the award. **One of the prize winners** must always be the **first author**.
- The potential prize winners may be no older than 45 on 31st January 2024 and their date of birth no earlier than 31/01/1979.
- In addition, authors who have made an **equal contribution** to the first author must be **nominated as prize winners** so long as the age criterion is fulfilled. **Please state here if there is another reason, apart from age, for not nominating an author for the award:**

Reason: Age > 45 yrs Other reason: _____

Please use the same sequence as on the publication for all other authors (non-prize winners)

First name and surname	Place and date	Signature
1.		
2.		
3.		
4.		
5.		
6.		
7.		
8.		
9.		
10.		

The non-prize winners confirm the following points through their signatures:

- Acknowledgement and agreement with the submission of this research project to the Pfizer Research Prize Foundation with the intention of receiving an award in the form of a prize.
- The prize will be given to the scientists named as “prize winners” if the scientific commission selects the research project.
